

**“ON MY WAY TO GLOBAL SCIENCE – 1933–2015 MEMOIRS”
A VOLUME OF MEMOIRS BY PROFESSOR
WIESŁAW MARIA GRUDZEWSKI**

*Ludmiła Zawadzka**

“Birds praise the sky and the earth is grateful to the flowers...”

...and I wish to express my gratitude for the opportunity to read the excellent book on the life and academic work of Professor Grudzewski, an outstanding scientist and unquestioned authority on economic sciences in the area of management science. Professor Grudzewski is a Corresponding Member of the Polish Academy of Sciences, the Honorary Chairman of the Committee on Organisational and Management Sciences of PAS, and the author of many Polish and foreign publications constituting a basic methodology reference for future young researchers in the sphere of management science.

Professor Grudzewski’s interest is focused on the intelligent organisation theory and the concept of knowledge management. His major works include:

- *Zarządzanie technologiami* (Technology Management),
- *Projektowanie systemów zarządzania* (Management System Design),
- *Przedsiębiorstwo przyszłości – wizja strategiczna* (Enterprise of the Future – Strategic Vision),
- *Edukacja w cyberprzestrzeni* (Education in Cyberspace),
- *Zarządzanie zaufaniem w organizacjach wirtualnych* (Trust Management in Virtual Organisations),
- *Application of Dimensional Analysis in Economics*,
- *Sustainable Enterprises of the Future*,

* Gdańsk University of Technology. E-mail: ludmila.zawadzka@zie.pg.gda.pl
